

PRIVACY POLICY

This privacy policy covers Pluggers Software's treatment of personally identifiable information that we collect when you are on our site. This policy also applies to Pluggers Software's treatment of any personally identifiable information that our business partners share with us. This policy does not apply to the practices of companies that we do not own or control, or to people that we do not employ or manage.

1. Pluggers Software is committed to protecting your privacy and maintaining the security of any personal information received from you. We strictly adhere to the requirements of the data protection legislation in the Netherlands. The purpose of this statement is to explain to you what personal information we collect and how we may use it.
2. When you order, we need to know your name, address, email address and card details. This allows us to process and fulfill your order. You have the option to withhold personal information that is not required for the order process.
3. We use your personal information to update you about new products/services. We will only contact you with your consent.
4. We do not sell, rent or exchange your personal information with any third party for commercial reasons, beyond the essential requirement for credit/debit card validation during purchase.
5. We follow strict security procedures in the storage and disclosure of information which you have given us, to prevent unauthorised access in accordance with the Dutch data protection legislation. We do not collect sensitive information about you except when you specifically knowingly provide it. In order to maintain the accuracy of our database, you can check, update or remove your personal details by contacting us at info@pluggers.nl
We use a technology called "cookies" as part of a normal business procedure to track patterns of behaviour of visitors to our site. A cookie is an element of data that our Website sends to your browser which is then stored on your system. You can set your browser to prevent this happening. Any information collected in this way can be used to identify you unless you change your browser settings.
6. In order to process credit/debit card transactions, the bank or card processing agency may require to verify your personal details for authorisation outside the EEA (European Economic Area). Your information will not be transferred outside the EEA for any other purpose.
7. If you have any questions about privacy please contact us at info@pluggers.nl.
